Maritime, Verba Shipping, Plytofilax Shipping Corporation, Gourdomichalis SA, Momentum Marine Service, Jana Marine Service.**

We can be your manning agent or provide full crew management including payroll and travel formalities.

You can trust us, as we always do our business in honest, professional way to satisfy all parties involved.

You can trust us, that we pay high attention to skill, qualification and high working standards of the professionals we recruit.

You can be sure with us, that we select qualified, professional candidates and evaluate their knowledge of duties and language skill according to your special requirements. We can afford it, as we are in marine business from inside for more than 30 years.

## Reasons to work with Maritime Intelligent Agency:

- You will always save your time and costs with us, as our service based on maximum efficiency with minimum costs and modern technologies in crew management.
- Company was founded by skilled Senior Officers well acquainted with merchant and offshore fleet;
- You can be sure, that professional qualification of all seafarers will be evaluated, before we send their resume to you for approval.

Give us a chance to prove you, that it is not only the words!

Best Regards,  
Capt. Igor Moroz
